PROFILE

Specialist in Culinary Sciences and professional cook with experience in fine dining and Michelin-starred restaurants. I consider myself proactive, disciplined, and highly adaptable to diverse cultural and gastronomic environments. My goal is to drive culinary innovation and contribute with passion to every project.

WORK EXPERIENCE

Geranium Restaurant | Copenhagen

Feb 2026 - Jul 2026

R+D intern & Chef de Partie

- Re-hired with the main purpose of developing the University's Bachelor's Thesis.
- Investigated the application of food enzymes.
- Developed scalable methods to transform food waste into fermented subproducts, creating solutions for sustainable ingredient production

Geranium Restaurant | Copenhagen

Feb 2024 - Aug 2025

Chef de Partie

- Managed and took responsibility for four different kitchen stations within a rigorous 3-Michelin-star kitchen.
- Maintained consistency through team collaboration and cross-departmental collaboration.
- Engaged directly with diners during service to perform tableside plating and deliver an elevated, interactive guest experience

Paco Roncero restaurant | Madrid

May 2023 - Jul 2023

Intern

- Assisted in the meticulous daily preparation and execution of high-end tasting menus in a fast-paced 2-Michelin-star kitchen.
- Advanced culinary techniques, discipline and organization.

Nectari Restaurant | Barcelona

Jun 2022 - Jul 2022

Intern

- Mise en place and daily menu execution.
- Foundational fine-dining skills and rigorous practical demands.
